SHIV GLASS WORKS

ABOUT US

We're manufacturers and exporters of exquisite glass-based décor who are dedicated to showcasing the unique cultural traditions and skills of our craftspeople. We have made a mark in the industry by leveraging our experience of over 20 years in manufacturing and a niche for recognising craftsmanship. We are committed to conducting our business ethically and sustainably, and to building long-term relationships with our customers and suppliers by catering and meeting the demands of each client.

GROWTH AND POTENTIAL

Our operations are assisted with multiple factors, ranging from government policies to location.

POLITICAL ENVIRONMENT

The Government of India enforced new policies to boost the manufacturing process and reduce red tape.

GEOGRAPHICAL LOCATION

- Easy availability of raw materials, such as silica sand and soda ash etc.
- Availability of Natural Gas as fuel to run glass furnace.
- ICD Depot For transportation till port.

SOCIO DEMOGRAPHIC

Population: 10 million, of which 65% are youth, ensuring the availability of a skilled workforce.

CERTIFICATIONS

In accordance with industry standards, various organisations have certified our company.

Sedex | Member

Reach out to us for a full list of certifications. We are open to adding certifications to cater to each client.
